

Anything That's Rock 'N' Roll

Tom Petty

Some friends of mine and me stayed up all through the night
Rockin' pretty steady till the sky went light
And I didn't go to bed, didn't go to work
I picked up the telephone, told the boss he was a jerk

Your mama don't like it when you run around with me
But we gotta hip your mama that you gotta live free
Don't need her, don't need school
You don't like your daddy and you don't like rules

So come baby, let's go, don't you hear the rock 'n' roll?
Playin' on the radio sounds so right
Girl you better grab hold, everybody's gotta know
Anything that's rock 'n' roll is fine
Anything that's rock 'n' roll is fine

Oh, oh, oh, hold me little baby
I'm a little bit shakin' and a little bit crazy
But I know what I want, I want it right now
While the electric guitar they're playin' way up loud

So come baby, let's go, don't you hear the rock 'n' roll?
Playin' on the radio sounds so right
Come on baby grab hold, everybody's gotta know
Anything that's rock 'n' roll is fine
Anything that's rock 'n' roll is fine
Anything that's rock 'n' roll is fine
