

# Cabin Down Below

Tom Petty

Come go with me, babe  
Come go with me, girl  
Baby, let's go  
To the cabin down below

I got a radio  
Put it on soft and low  
Baby, let's go  
To the cabin down below

Well, I've had my eye on you  
For a long, long time  
I'm watching everything you do  
Baby, you're gonna be mine

Come on go with me, babe  
Come on go with me, girl  
Baby, let's go  
To the cabin down below

Time's been moving slow  
Since we both got here  
Come on slide a little closer  
Let me whisper in your ear

Well I got a radio  
Turn it on soft and low  
Baby, let's go  
To the cabin down below

Oh, baby, let's go  
To the cabin down below  
Baby, let's love  
In the cabin down below
