

# Good Enough

Tom Petty

She was hell on her mama  
Impossible to please  
She wore out her daddy  
Got the best of me  
There's something about her that only I can see  
And that's good enough

You're barefoot in the grass  
And you're chewin' sugar cane  
You got a little buzz on  
You're kissing in the rain  
And if a day like this don't ever come again  
Well, that's good enough

Good enough for me  
Good enough for right now, yeah  
Good enough for me  
God enough for right now, yeah

God bless this land  
God bless this whiskey  
I can't trust love  
It's far too risky  
If she marries into money  
She's still gonna miss me  
And that's good enough  
Gonna have to be good enough
