

Good Enough

Tom Petty

She was hell on her mama
Impossible to please
She wore out her daddy
Got the best of me
There's something about her that only I can see
And that's good enough

You're barefoot in the grass
And you're chewin' sugar cane
You got a little buzz on
You're kissing in the rain
And if a day like this don't ever come again
Well, that's good enough

Good enough for me
Good enough for right now, yeah
Good enough for me
God enough for right now, yeah

God bless this land
God bless this whiskey
I can't trust love
It's far too risky
If she marries into money
She's still gonna miss me
And that's good enough
Gonna have to be good enough
