

Here Comes My Girl

Tom Petty

You know , sometimes, I dont know why,
But this old town just seems so hopeless
I aint really sure, but it seems I remember the good times
Were just a little bit more in focus

But when she puts her arms around me,
I can, somehow, rise ab ove it
Yeah man, when I got that little girl standing right by my side
,
You know, I can tell the whole wide world, shove it,

Hey, here comes my girl, here comes my girl,
Yeah, she looks so right, shes all I need tonight

Every now and then, I get down to the end of a day,
Ill have to stop, ask myself, whatve I done?
It just seems so useless to have to work so hard,
And nothin ever really seem to come from it

And then she looks m e in the eye, says, we gonna last forever,
And man, you know I cant begin to doubt it
No, because this feels so good and so free and so right,
I know we aint never goin change our minds about it

Hey, here comes my girl, here comes my girl,
Yeah, she looks so right, shes all I need tonight

Yeah, every time it seems like there aint nothin left no more,
I find myself havin to reach out and grab hold of somethin
Yeah, I just catch myself wonderin, waitin, worryin
About some silly little things that dont add up to nothin.

And then she looks me in the eye, says, we gonna last forever,
And man, you know I cant begin to doubt it
No, because this feels so good and so free and so right,
I know we aint never goin change our minds about it.

Hey, here comes my girl, here comes my girl,
Yeah, she looks so right, shes all I need tonight
