

# I Should Have Known It

Tom Petty

I shoulda known it  
I shoulda seen  
Leave it to you  
To treat me mean

Every promise was just a runaround  
I shoulda known it  
Yeah, you're gonna let me down  
Well it's over now, you see  
It's the last time you're gonna hurt me

I shoulda known it  
Hard to believe  
It was all right there  
In front of me

Sold down the river  
Left for dead  
Yeah, you're puttin' ideas  
In another man's head  
And it's over now, you see  
It's the last time you're gonna hurt me

Thanks for nothin'  
Yeah, thanks a lot  
Go ahead baby  
Take all I got  
And it's over now, ya see

It's the last time you're gonna hurt me  
It's the last time you're gonna hurt me
