

# Kings Highway

Tom Petty

When the time gets right I'm gonna pick you up  
And take you far way from trouble my love  
Under a big ol' sky out in a field of green  
There's gotta be something left for us to believe

Oh, I await the day  
Good fortune comes our way  
And we ride down the kings highway

No you can't hide out in a six gun town  
We wanna hold our heads up, though we gotta stay down  
I don't wanna end up in a room all alone  
Don't wanna end up someone that I don't even know

Lover, I await the day  
Good fortune comes our way  
And we ride down the kings highway

Yeah, I await the day  
Good fortune comes our way  
And we ride down the kings highway

Yeah, I await the day  
Good fortune comes our way  
And we ride down the kings highway
