Like a Diamond

Madmen crawl Across the wall Knight gets away Kings all fall And queens chase men And saints all sin And good things All must end

But she goes on forever She goes on forever Yeah, she's gonna shine forever Like a diamond In the sunlight

Big full moon Above the road I'm a long long way From tomorrow Gotta light my way Down this highway To get to her

'Cause she goes on forever She goes on forever Yeah, she's gonna shine forever Like a diamond In the sunlight

Deacons steal And Ma can't feel If you're lonely And behind the wheel When the ground gives way You have to pray To the unknown And hope it's real

But she goes on forever She goes on forever She's gonna shine forever

She goes on forever She goes on forever Yeah, she's gonna shine forever Like a diamond In the sunlight
