

Mystery of Love

Tom Petty

Don't you hide from me baby, shame on you
Incognito, baby you're so cruel
I don't mind, take my hand
Baby I wanna be your mystery man

Yeah you got ruby lipstick, petal mouth rouge
Dime store jewelry, cheap perfume
I don't mind, take my hand
Honey I wanna be your mystery man

You know I do, you know I do
Oh you know I do, you know I do
Yeah you know I do, you know I do
Baby you know I do, you know I do

Don't you hide from me baby, shame on you
Dime store jewelry, honey you're so cruel
I don't mind it, take my hand
Baby I wanna be your mystery man

You know I do, you know I do
Baby, you know I do, you know I do
Yeah you know I do, oh you know I do
Baby you know I do, yeah you know I do
