Mystery of Love

Don't you hide from me baby, shame on you Incognito, baby you're so cruel I don't mind, take my hand Baby I wanna be your mystery man

Yeah you got ruby lipstick, petal mouth rouge Dime store jewelry, cheap perfume I don't mind, take my hand Honey I wanna be your mystery man

You know I do, you know I do Oh you know I do, you know I do Yeah you know I do, you know I do Baby you know I do, you know I do

Don't you hide from me baby, shame on you Dime store jewelry, honey you're so cruel I don't mind it, take my hand Baby I wanna be your mystery man

You know I do, you know I do Baby, you know I do, you know I do Yeah you know I do, oh you know I do Baby you know I do, yeah you know I do
