

# No Second Thoughts

Tom Petty

She threw down her golden band  
Crushed it with her feet into the sand  
Took her silent partner by the hand  
Yeah yeah oh yeah yeah

Somewhere near the edge of town  
She said she was torn and turned around  
"Can you help me cast this evil down?"  
Yeah yeah oh yeah yeah

We'll drive for the line now  
There's nothing to be lost  
You and I will cross over  
With no second thoughts

We'll drive for the line now  
There's nothing to be lost  
You and I will cross over  
With no second thoughts

Dreams fade hope dies hard  
She cups her eyes and stares out at the stars  
Says "I feel we've travelled very far"  
Yeah yeah oh yeah yeah  
Yeah yeah oh yeah yeah  
Yeah yeah oh yeah yeah
