

# Something in the Air

Tom Petty

Call out the instigator  
Because theres something in the air  
Weve got to get together sooner or later  
Because the revolutions here

And you know its right  
And you know that its right  
We have got to get it together  
We have got to get it together now

Run through the fields and houses  
Because theres something in the air  
Weve got to get together sooner or later  
Because the revolutions here

And you know its right  
And you know that its right  
We have got to get it together  
We have got to get it together now

Call out the instigator  
Because theres something in the air  
Weve got to get together sooner or later  
Because the revolutions here

And you know its right  
And you know that its right  
We have got to get it together  
We have got to get it together now
