

# Takin' My Time

Tom Petty

Takin' my time  
I'm slowin' down a little bit  
Takin' my time  
Slowin' down a little bit

Yeah, when I was a young boy  
Honey my fuse was lit  
Yeah, when I was a young boy  
Honey my fuse was lit

Losin' my way  
To somethin' stronger than me  
Losin' my way  
To somethin' stronger than me

Scares me to think about  
What's on the road after me  
Yeah, it scares me to think about  
What's on the road after me
