

## The Best of Everything

Tom Petty

She probably works in a restaurant  
That's what her momma did  
But I don't know if she ever really  
Could put up with it

Or maybe she sings in a nightclub  
'Cause sometimes she used to sing  
But I don't know if it ever  
Amounted to anything

But listen honey, wherever you are tonight  
I wish you the best of everything, in the world  
And honey, I hope you found  
Whatever you were looking for

Yeah and it's over before you know it  
It all goes by so fast  
Yeah, the bad nights last forever  
And the good nights don't ever seem to last

And man, we never had the real thing  
But sometimes we used to kiss  
Back when we didn't understand  
What we were caught up in

So listen honey, wherever you are tonight  
I wish you the best of everything, in the world  
And honey, I hope you found  
Whatever you were looking for

Yeah baby, wherever you are tonight  
I wish you the best of everything, in the world  
And honey, I hope you found  
Whatever you were looking for
