

The Waiting

Tom Petty

Oh baby dont it feel like heaven right now
Dont it feel like somethin from a dream
Yeah Ive never known nothing quite like this
Dont it feel like tonight might never be again
We know better than to try and pretend
Baby no one could have ever told me bout this

The waiting is the hardest part
Every day you see one more card
You take it on faith, you take it to the heart
The waiting is the hardest part

Well yeah I might have chased a couple of women around
All it ever got me was down
Then there were those that made me feel good
But never as good as I feel right now
Baby youre the only one thats ever known how
To make me wanna live like I wanna live now

The waiting is the hardest part
Every day you see one more ca rd
You take it on faith, you take it to the heart
The waiting is the hardest part

Dont let it kill you baby, dont let it get to you
Dont let em kill you baby, dont let em get to you
Ill be your breathin heart, Ill be your cryin fool
Dont let this go to far, dont let it get to you
