

# The Waiting

Tom Petty

Oh baby dont it feel like heaven right now  
Dont it feel like somethin from a dream  
Yeah Ive never known nothing quite like this  
Dont it feel like tonight might never be again  
We know better than to try and pretend  
Baby no one could have ever told me bout this

The waiting is the hardest part  
Every day you see one more card  
You take it on faith, you take it to the heart  
The waiting is the hardest part

Well yeah I might have chased a couple of women around  
All it ever got me was down  
Then there were those that made me feel good  
But never as good as I feel right now  
Baby youre the only one thats ever known how  
To make me wanna live like I wanna live now

The waiting is the hardest part  
Every day you see one more ca rd  
You take it on faith, you take it to the heart  
The waiting is the hardest part

Dont let it kill you baby, dont let it get to you  
Dont let em kill you baby, dont let em get to you  
Ill be your breathin heart, Ill be your cryin fool  
Dont let this go to far, dont let it get to you
