

# Won't Last Long

Tom Petty

You and me been over this ground  
Over this ground before

I can't explain, I can't explain  
I can't explain anymore

Oh it's hard to watch you go

I'm down but it won't last long  
I'm down but it won't last long

Don't let me down, don't let me down  
Don't let me down like this

It's not the same  
Over and over, over and over again

Yeah, this is not my day

I'm down but it won't last long  
I'm down but it won't last long

Half my brain has gone away  
Half my brain has gone  
So far away

Don't let me down, don't let me down  
Don't let me down again

Don't shake me up, don't burn me out  
I'm hurt and you won't let me in

Yeah, this is not my day

I'm down but it won't last long  
I'm down but it won't last long  
Oh

I'm down but it won't last long  
I'm down but it won't last long

I'm down but it won't last long  
Yeah, no

I'm down but it won't last long  
Oh
