

Long Hot Summer

Tom Robinson Band

Hey Joe, get up and go
Wouldn't like to tell you twice
Hey mac, get off my back
Didn't ask your advice

There's all this heat
Out in the street
Telling us to move along

It's gonna be a long hot summer
From now on
Hey man, I don't understand
We ain't hardly bothering you
Say fag, you're just a drag
We ain't nearly finished with you

There's all this heat
Out on the beat
Telling us we don't belong

It's gonna be a long hot summer
From now on

Hey Dan, give us a hand
We won't make it alone
But we can all make a stand
Next time the whistle's blown

So get your feet
Out on the street
When you hear the heat is on

It's gonna be a long hot summer
From now on
Look out sisters Look out brothers
We won't be fooled again
