

Kiss Me When I Get Back

Tom Tom Club

Hey, hey, hey
I'm going away
A happy day

I'm going away
I'm going to see what I can see
I'm going do what I can do
I'm going to make a major break
I'm going to make it through to you

Mamma says go go
Angel says go go
Papa says go go
Satan says go go

Kiss me when I get back
Kiss me when I get back
Kiss me when I get back
Gotta go
Kiss me when I get back
Kiss me when I get back
Kiss me when I get back
Gotta go, go

I'm going to search for people like me
I need a really big town
Now is the time for me to move on
Be a little fish in a big pond

Mamma says go go
Angel says go go
Papa says go go
Satan says go go

Kiss me when I get back
Kiss me when I get back
Kiss me when I get back
Gotta go

Kiss me when I get back
Kiss me when I get back
Kiss me when I get back
Watch me move

My bags are packed, my bags are packed
If you try real hard
You can hear me think
See them bars, see them discos
Oh boy, fresh flesh

Hey, hey, hey
I'm going away
Oh what a day
I'm going away

Kiss me when I get back
Kiss me when I get back

Kiss me when I get back
Gotta go, go
Kiss me when I get back
Kiss me when I get back
Kiss me when I get back
Gotta go, go
Kiss me when I get back
Kiss me when I get back
Kiss me when I get back
Gotta go, go
Kiss me when I get back
Kiss me when I get back
Kiss me when I get back
After fun I know
