

# Little Eva

Tom Tom Club

Little Eva, little Eva  
She's the dreams from hell  
She paints pictures  
Scary pictures

She's got things to tell  
She doesn't feel too hot  
About the world today  
She doesn't know she's got  
Control in anyway

Don't you leave her she's like a fire  
Like a tiny flame dancing in the wind  
Don't believe her she'll never tire  
She'll make me feel like you never sin

Dancing, dancing  
Dancing in the wind  
Dancing, dancing  
Dancing in the wind

Little Eva feeling tiny  
Waltzes through the door  
Little Eva eats the candy  
She finds there on the floor

'Cause they say what's cruel  
Proves to change her style  
You don't have to be a fool  
To miss the nature of her smile

Don't you leave her she's like a fire  
Like a tiny flame dancing in the wind  
Don't believe her she'll never tire  
She'll make me feel like you never sin

Dancing, dancing  
Dancing in the wind  
Dancing, dancing  
Dancing in the wind

Don't you leave her she's like a fire  
Like a tiny flame dancing in the wind  
Don't believe her she'll never tire  
She'll make me feel like you never sin

Dancing, dancing  
Dancing in the wind  
Dancing, dancing  
Dancing in the wind
