

# Lorelei

Tom Tom Club

Lorelei  
Maybe you like a little melody  
It's not the words that move me

Lorelei, Lorelei, Lorelei  
Maybe you like a lullaby  
Now I can't remember why

Lorelei, Lorelei, Lorelei  
Intuition's leading us where  
I don't know yet

Lorelei, Lorelei  
Something's happening  
Hard to place it, hard to hide it

Lorelei, Lorelei  
What is happening  
I'm not sure, I guess you know it  
Lorelei, Lorelei

Deep in the jungle of thought  
There comes a clearing  
And in the clearing, there is a pool

The pool is deep, the water cool  
This is the thought  
The thought is you

Lorelei, Lorelei, Lorelei  
Intuition's leading us where  
I don't know yet

Lorelei, Lorelei  
Something's happening  
Hard to place it, hard to hide it

Lorelei, Lorelei  
What is happening  
I'm not sure, I guess you know it

Lorelei, Lorelei  
Across the wasted plain  
Across the twisted dunes  
Beyond the colored lights  
The mountain looms

The air is thin, the door within  
The sea of light, the light is you

Lorelei, Lorelei, Lorelei  
Lorelei, Lorelei, Lorelei
