

She's Dangerous

Tom Tom Club

Uh! Mercy!
Lookout, now!
I say here comes little Miss Dimeanor
Nowhere a sweeter deceiver!
Don't touch her, she'll burst your bubble
Hormones on legs, she's trouble!
Wearin' a mini and hardly any makeup. . .
It's time to wake up!
Dangerous attraction (Oooh, oooh!)
Cause a chain reaction! (Oooh, oooh!)
She may look cute to you. . . (Oooh, oooh!)
Let me tell you, my friend
She is dangerous! (Dangerous!)
Let me tell you now. . . (Ooooh, oooh, oooh. . .)
I've got to, got to tell you now, oh-uh! (Dangerous!)
She may look cute to you
But she's dangerous! Hey! (Dangerous!) Aha!
Heh-heh-heh-heh! Heh-heh-heh-heh!
Heh-heh-heh-heh! Heh-heh-heh-heh!
And after she has used you, she will make you out to be a fool
Get paid the mega bucks for tellin' stories out of school
It's not enough that she will break your heart
She will blow your life apart!
Spicy-sweet temptation. . . (Oooh, oooh!)
A deadly combination! (Oooh, oooh!)
She may look cute to you. . . (Oooh, oooh!) Oooh!
But she's dangerous! Aye! (Dangerous!)
She's dangerous, I say! (Ooooh, oooh, oooh. . .)

She's dangerous! Oh, yeah! (Dangerous!)
She may look cute to you. . . (Ooooh, oooh, oooh. . .)
But she's dangerous! (Dangerous!) Look out now!
(La la la la la la la. . .) You don't want to be another fly in
her pie
(La la la la la la la. . .) And I sure don't want to be her
sacrifice!
Oooh-oooh! Oooh, yeah!
Huh!
Spicy-sweet temptation! (Oooh, oooh!)
A deadly combination! (Oooh, oooh!)
She may look cute to you. . . (Oooh, oooh!)
Let me tell you, my friend,
She is dangerous. . . (Dangerous!) Aha!
She may look cute to you. . . (Ooooh, oooh, oooh. . .)
(Dangerous!)
She may look cute to you. . . (Ooooh, oooh, oooh. . .)
Dangerous attraction. . . (Oooh, oooh!)
Cause a chain reaction! (Oooh, oooh!)
She may look cute to you! (Oooh, oooh!)
So let me, let me, let me, let me, let me tell you
She is dangerous! (Dangerous!)
So I got to, got to, got to, got to, got to really tell you
She is dangerous! Oooh, yeah! (Oooh, oooh!)
So let me, let me, let me, let me, let me tell you.
