

Sweet Satisfaction

Tom Tom Club

Oh, yeah

Now our lovin' so good
And - ooh! - sweet satisfaction
And it's so deep and so real
And it's - ooh! - sweet satisfaction

V1: just let me hold ya - right there
Keep it real - oh, right there
Make it feel good - in the right way
I'm gonna hold ya tight - make ya feel good tonight

All the way - like a prayer
Surrender - ooh, surrender
Need your lovin' - in the right way
Keep it comin' right - ow!

You're my inspiration
And - ooh! - sweet satisfaction
Such a sweet sensation
Ooh! - sweet satisfaction

V2: just let me hold ya, oh - right there
Keep it real - ooh, right there
Make it feel good - in the right way
I'm gonna hold ya tight - make ya feel good tonight - oh!

Oh, it feels so good
Lemme lay ya down over here
Know the secrets to your love
Ooo-ooh-ooh aaaah-ah-ah-aaah

Just let me hold ya - right there
Keep it real - ooh, right there
Make it feel good - in the right way
I'm gonna hold ya tight - make ya feel good tonight - oh
All the way - like a prayer
Surrender - ooh, surrender
Need your lovin' - in the right way
Keep it comin' right - ow!

Take me to a new dimension
And - ooh - sweet satisfaction
Such a sweet satisfaction
Ooh - sweet satisfaction

Now our lovin' so good
And - ooh - sweet satisfaction
And it's so deep and so-o real
And it's - ooh - sweet satisfaction

You're my inspiration
And - ooh - sweet satisfaction
Such a sweet sensation
Ooh - sweet satisfaction - oh

Take me to a new dimension

And it's - ooh - sweet satisfaction
Such a sweet sensation
Ooh - sweet satisfaction - oh

Love you baby
