

On The Road

Tom Vek

You said, I was the backseat driver
You said, I was the backseat driver
You said, I was the backseat driver
You said, I was the backseat

You said, I was the road map reader
You said, I was the road map reader
You said, I was the road map reader
You said, I was the road map

You said, I was the driving license
You said, I was the driving license
You said, I was the driving license
You said, I was the driving license

On the road, on the road, on the road
On the road, on the road, on the road
On the road, on the road, on the road

You said, I was the hand break
You said, I was the hand break
You said, I was the hand break
You said, I was the hand break

You said, I was the glove compartment
You said, I was the glove compartment
You said, I was the glove compartment
You said, I was the glove compartment

On the road, on the road, on the road
On the road, on the road, on the road
On the road, on the road, on the road
...
