

You'll Stay

Tom Vek

I dare to vision of hope
A truth derailing
Acts of love
I don't want anything to get in the way of this
I don't want anything to get in the way of this

What I wanna say is everything's ok
What I wanna say is everything's ok
What I wanna say is everything's ok
What I wanna say is everything's ok
You'll stay

You don't let anyone in
You don't let anyone in
You don't let anyone in
You don't let anyone in

Seal it uW, seal it up yeah, seal it up, seal it up, seal it up
Seal it up, seal it up yeah, seal it up, seal it up

Everything you know isn't what you know
Everything you have you don't really own
Everyone you believed in is somewhere else
Getting old on their own time

You don't have to go
You don't have to go
You don't have to go
You'll stay
You stay

You don't have to go
You don't have to go
You don't have to go
You'll stay
You stay

You don't have to go
You don't have to go
You don't have to go
You don't have to go
You don't have to go
You don't have to go
