

# All Stripped Down

Tom Waits

Well the time will come  
When the wind will shout  
All stripped down  
All stripped down  
And all the sinners know  
What I'm talking about  
All stripped down  
All stripped down  
When all the creatures of the world  
Are gonna line up at the gate

And you better be on time  
And you better not be late  
All stripped  
All stripped down

Well you know in your heart  
What you gotta bring  
All stripped down  
All stripped down  
No big mink coat  
No diamond ring  
All stripped down  
All stripped down

Well take off your paint  
Take off your rouge  
All stripped down  
All stripped down  
Let your backbone flip  
And let your spirit shine through  
I want you all stripped  
All stripped  
All stripped down

All the men we got  
Well they're goin' down the drain  
All stripped down  
All stripped down  
And when I see your sadness  
On a river of shame  
All stripped down  
All stripped down

You got to raise up  
Bot the quick and the dead  
All stripped down  
All stripped down  
With no shoes on your feet  
No hat on your head  
I want you all stripped down  
All stripped  
All stripped down

Ain't nothin' in my heart  
But fire for you  
All stripped down

All stripped down  
With my rainy hammer  
And a heart that's true  
I want you all stripped  
All stripped  
All stripped down
