

## Fannin Street

Tom Waits

There's a crooked street in Houston town,  
It's a well born path I've traveled down  
Now there's ruin in my name, I wish I never got off the train,  
I wished I'd listened to the words you said.

Don't go down to Fannin Street  
Don't go down to Fannin Street  
Don't go down to Fannin Street  
You'll be lost and never found  
You can never turn around  
Don't go down to Fannin Street

Once I held you in my arms, I was sure  
But I took that silent stare through the guilded door  
The desire to have much more, all the glitter and the roar,  
I know this is where the sidewalk ends.

Don't go down to Fannin Street  
Don't go down to Fannin Street  
Don't go down to Fannin Street  
You'll be lost and never found  
You can never turn around  
Don't go down to Fannin Street

When I was young I thought only of getting out  
I said goodbye to my street, goodbye to my house  
Give a man gin, give a man cards, give an inch he takes a yard,  
And I rue the day that I stepped off this train.

Don't go down to Fannin Street  
Don't go down to Fannin Street  
Don't go down to Fannin Street  
You'll be lost and never found  
You can never turn around  
Don't go down to Fannin Street.
