

# Flowers Grave

Tom Waits

Someday the silver moon and I will go to dreamland  
I will close my eyes and wake up there in dreamland  
And Tell me who will put flowers on a flower's grave?  
Who will say a prayer?

Will I meet a China rose there in dreamland?  
Or does love lie bleeding in dreamland?  
Are these days forever and always?

And if we are to die tonight  
Is there a moonlight up ahead?  
And if we are to die tonight  
Another rose will bloom

For a faded rose  
Will I be the one that you save?  
I love when it showers  
But no one puts flowers  
On a flower's grave  
As one rose blooms and another will die  
It's always been that way  
I remember the showers  
But no one puts flowers  
On a flower's grave

And if we are to die tonight  
Is there a moonlight up ahead?  
I remember the showers  
But no one puts flowers  
On a flower's grave
