

Gospel Train

Tom Waits

Come on people
Got to get on board
Train is leavin'
And there's room for one more
God, don't listen to the devil
He got ways to move you
This train don't carry no smokers
This train...

Well, come on people
'Cause it's startin' to rain
Get on board, it's the gospel train
Don't listen to the devil
Don't listen to the devil
Satan will fool you
Satan will fool you
I said Satan will fool you
Well, this train don't carry no smokers
This train
This train
Wooo
Wooo

Come on people: get on board
Train is leavin'
AND there's room for one more
Just trust in the Lord
Wooo
Woooo
Woooo

Listen to me
Come on people
'Cause it's starting to rain
Get on board
Ride the gospel train
Don't listen to the devil
He got ways to move you
