Tom Waits

1. Never saw the morning, 'til I stayed up all night  
Never saw the sunshine, 'til you turned out the light  
Never saw my hometown, until I stayed away too long  
Never heard the melody, 'til I needed the song
  
2. Never saw the white line , 'til I was leaving you behind  
Never knew I needed you, 'til I was caught up in a bind  
Never spoke I love you, until I cursed you in vain  
Never felt my heart-strings, 'til I really went insane
  
3. Never saw the east coast 'til I moved to the west  
Never saw the moonlight, until it shone of your breast  
Never saw your heart, 'til someone tried to steal it away  
Never saw your tears, until they rolled down your face
