

## That Feel

Tom Waits

Well there's one thing you can't lose  
It's that feel  
Your pants, your shirt, your shoes  
But not that feel  
You can throw it out in the rain  
You can whip it like a dog  
You can chop it down like an old dead tree  
You can always see it  
When you're coming into town  
Once you hang it on the wall  
You can never take it down

But there's one thing you can't lose  
And it's that feel  
You can pawn your watch and chain  
But not that feel  
It always comes and finds you  
It will always hear you cry  
I cross my wooden leg  
And I swear on my glass eye  
It will never leave you high and dry  
Never leave you loose  
It's harder to get rid of than tattoos

But there's one thing you can't do  
Is lose that feel  
You can throw it off a bridge  
You can lose it in the fire  
You can leave it at the altar  
But it will make you out a liar  
You can fall down in the street  
You can leave it in the lurch  
Well you say that it's gospel  
But I know that it's only church

And there's one thing you can't lose  
And it's that feel  
It's that feel
