

Yesterday Is Here

Tom Waits

1. If you want money in your pocket and top hat on your head
a hot meal on your table and a blanket on your bed

R: Well today is grey skies tomorrow is tears
you'll have to wait till yesterday is here.

2. Well, I'm going to New York City and I'm leaving on a train
and if you want to stay behind and wait till I come back again

R: Well today is grey skies...

*: If you want to go where the rainbow
end you'll have to say good bye
all our dreams come true baby up
ahead and it's out where your memories lie

3. Well the road is out before me and the moon is shining bright
what I want you to remember as I disappear tonight

R: Well today is grey skies... (2x)
