Tomahawk

Them scumbags Them faghags Short eyes Dope dealers Drive-bys Faith healers I'll be there Far away I'm floating above it all Be there I'll be there far away I'll be there for you I'll prove the holy road leads to The snake charmers The shoe hangers I'll show you Sunday strollers too The gangbangers Spirit channelers I want to be the one for you I'll be the one I bought a gun I want to be the crowning jewel

To bad they won't believe me son I'll be there floating above it all

I'll be there flaming Waiting for you
