

Brown Skin Girl

Tommy McClennan

Now, I got a brown skin girl
With her front tooth crowned with gold
Take your time, make this one last
'Cause it's the best one you got
Now, I got a brown skin woman
With her front tooth crowned with gold
She got a lien on my body
And a mortgage on my soul
Now, friend don't never let your good girl
Friend, just like this woman got me, yes, yes, yes, yes
Friend, don't never let your good girl
Friend, just like this woman got me
How she got you, did it?
Got me stone crazy 'bout her
As a doggone fool can be
Now, I ain't gonna tell nobody
Baby, 'bout the way you do
Take your time now an play it right
Ain't gon' tell nobody
Baby, 'bout the way you do
How you got, how'd I do?
Said you always keep someone
Some fat-mouth followin' you
Now, I tol' you once, now baby, now
Ain't gon' tell you no more
I done told you once, baby
Ain't gon' tell you no more, why?
Next time I have to tell you
I'm sure gonna let you go
Now, when you get you
One a-them funny woman
Take your time, now
She won't do to trust
Get you a 2X4, and I swear
I can strut yo' stuff
Babe, and that's all I want
Just a little bit a-lovin'
And then you can be gone
