

# Love With A Feeling

Tommy McClennan

(guitar)

Yeah!

Yeah!

If you gon' love a little woman  
Love wit' a thrill  
An if you don't love her  
Some other man will

Got to love her wit' a feeling  
Yeah!  
You got to love her wit' a feeling  
You got to love her wit' a feeling  
Or don't you love at all, now

Now, no woman don't want  
Our half-way stuff  
'Cause when you turn her loo'  
Be sho' she got enough

An just love her wit' a feeling  
And just love her wit' a feeling  
Just love 'em wit' a feeling  
Or don't you love at all

'Play the boss, now'

(guitar)

Yeah!

Yeah!

Yes, yes, yes

Now, you know, baby  
You ain't doin' me right  
An when you come home  
We'll go to fuss 'n fight

'Cause, I want you to  
Love me wit' a feeling  
I want you t'love me wit' a feeling  
I want you love me wit' a feeling  
Girl, you don't love at all

Mmm-mm, mama tol' me  
Papa started cryin'  
That way you got doin', babe  
Won't take yo' lie

She got to love me wit' her feelin'  
Yeah!  
Ya got to love wit' a feelin'  
You've got to love me wit' a feelin'  
Or don't you love at all

'Make them play us a song'

(guitar)

Yeah!

Yeah!

Yes, yeah!

Umm, jest love me wit' a feelin'

Umm, jest love me wit' a feelin'

Umm, an jest love me wit' a feelin'

Umm, an jest love me wit' a feelin'

If you don't love me wit' a feelin'

Don't want you to love at all.

~
