Umm-mmm  
My baby's doggin' me  
Umm-hmm-hm  
My baby's doggin' me  
I'm gettin' sick an tired-a  
The way my baby's doggin' me

Now, she dog me ev'ry mo'nin  
She dog me late at night  
She keep on a-doggin' me  
Say, we gon' make ev'rything alright

Look-a-here, mama  
Gettin' tired of way, the way you do  
I'm gettin' tired, baby  
The way you keep on doggin' me

Now, look-a-here, mama  
Tell me where you stay last night?  
She said, 'It ain't none yo' business  
You know you don't treat me right'

Cry, ooh  
Baby, you know I don't like the way you do  
Yeah, mama  
You know you're really doggin' me

Now, I done tol' you once, pretty mama  
Ain't gon' tell ya no mo'  
You can get all my lovin'  
If you just let him go

I said, look-a-here, babe  
I'm gettin' tired of way you doggin' me  
'Cause I love you, pretty mama  
Better'n any woman I ever seen

'Play it man, play it'

(guitar)

Yeah!

Yas, yas!

Mmm, my baby's doggin' me  
Mmm-hm, my baby's doggin' me  
I love that little ol' woman  
Better'n any woman I ever seen

Oh, be-bop, dee-da  
Dee-dee, da-da.
