

Roll Me Baby

Tommy McClennan

'Person not right'

Now, I said roll, me roll me, babe
Roll me, roll me, slow
Roll me, roll me, baby
'Till I won't roll no mo'

I say, roll me over, baby
An roll me slow
I want you to roll me, roll me, baby
Yo' daddy won't even want no mo'

Now, roll me, roll me, baby
Can't roll a wagon wheel
Now when you roll me, baby
Don't know how it make me feel

I say, roll me over, baby
Please roll me slow
I want you to roll me, roll me, baby
'Till yo' daddy won't even want no mo'

Now, roll me, roll me, baby
Like a roll up cross cut saw
Roll me, roll me, baby
'Till I say, 'That's all, that's all'

Now, roll me, roll me, baby
Like you roll a cross cut saw
I want you to roll me, roll me, baby
'Till I say, 'That's all, that's all'

You know I like my roll early in the mo'nin
Likes my rollin' at night
'Tea, I thought you'd take yo' time'

You know I likes my rollin', baby
You know I likes it late at night
You know I's there about the time
We can make ev'rything little thing, alright

Now, roll me, roll me, baby
Takes you all night long
'Yeah, man!'

Roll me, roll me, baby
If it takes you all night long
I want you to roll me, roll me, baby
'Till ev'rybody be gettin' a-leave home'

Now, look-a-here, baby
You know I ain't got to go
'Cause even if you'd been the woman
I loved just before

But roll me over, baby
Yeah, roll me slow

I done tol' you roll me, baby
'Till yo' daddy won't want no mo'.
