

Whiskey Head Woman

Tommy McClennan

She's a whiskey headed woman
An' she stays drunk all the time, yeah
She's a whiskey headed woman
An' she stay drunk all the time, yeah
Baby, an' if you don't stop drinkin'
I b'lieve ya gonna lose yo' mind, yeah
Now, ev'rytime I see you, babe
You at some whiskey joint
Standin' around Mr. Crowley
Beggin' for one mo' half-a-pint
'Cause you's a whiskey headed woman
An' ya stay drunk all the time
Babe now, if you don't stop drinkin', little woman
I b'lieve ya gonna lose yo' mind, yeah
Now, didn't I told you, baby
When you fell down 'cross your bed?
You is drinkin' that moonshine whiskey
An' talkin' all out' yo' head
'Cause you a whiskey headed woman
An ya stay drunk all the time
Babe, now if you don't stop drinkin'
I b'lieve ya gonna lose yo' mind, yeah
Now, look-a-here, baby
I don't wanna tell you no mo'
You can get all my lovin'
If you just let him go
'Cause you's a whiskey headed woman
An' ya stay drunk all the time, yeah
Now, if you don't stop drinkin', baby
I b'lieve ya gonna lose yo' mind
Now when you start a drink
Make me a pallet on yo' flo'
'Cause if you keep on drinkin'
I ain't come to yo' house no mo'
'Cause you a whiskey headed woman
Baby, ya stay drunk all the time, yeah
Now, if you don't stop drinkin', little woman
I b'lieve ya gonna lose yo' mind, yeah
Now you a whiskey headed woman
An' you stay drunk all the time
Play it man, play it long as you're satisfied
Now, you a whiskey headed woman, babe
An' you stay drunk all the time
An' it's a-sure if you don't stop drinkin'
I swear you're gonna lose yo' mind
