

Rain

Tones on Tail

Ooh the rain
Ooh the rain

She said, time to crush this feeling
Writing very long letters as soon as it rains
Ooh the rain
Ooh the rain

To dance the night away
He watches topless pin-up faces
A million different jackpots
With a thousand different gazes

Ooh the rain
Ooh the rain
Ooh the rain
Ooh the rain

But it's time to crush this feeling
As soon as it rains
Ooh the rain
But it's time to crush this feeling
As soon as it rains
Ooh the rain
