## **Twist**

## **Tones on Tail**

As tomorrow's man and a topless bee Jump over your head, remember me Don't get confused by a dying sky and sea

The panda club has an odds on bet Mr. Music man needs a string quartet On the planet where the alphabet starts with Z

Energy and confidence
Buzz high in your consciousness
Don't get confused by an early morning rain

?Cause the panda club has an odds on bet
Mr. Music man needs a string quartet
On the planet where the alphabet starts with Z

Man and moon plays a melody
That you can't forget, so remember me
Twist with tomorrow's man and me
