

# Do You Remember When

Toni Braxton

[Intro]

Think about it  
Remember when  
When we first fell in love  
I just want that feeling back again  
You know, what it used to be  
You and me, listen

I believe we can be whatever we want to be  
And I know we'll be alright  
I can see what you need, and what you need is me  
Like you did on our first night

You make everything lovely  
You make everything lovely  
You make everything lovely  
Yes indeed, that's why I'm hurting

Can we fall in love again  
Like we did back then  
Do you remember when  
(Do you remember when)  
Do it like you did it back then  
And then we'll do it again  
Do you remember when

Reminiscing and more on what we had before  
Makes me feel so warm inside  
Wanting you constantly and feeling so sorry  
That we had to say goodbye

You're my everything, baby  
You're my everything, baby  
You're my everything, baby  
Can't you see, that's why I'm hurting

Can we fall in love again  
Like we did back then  
Do you remember when  
(Do you remember when)  
Do it like you did it back then  
And then we'll do it again  
Do you remember when

(Don't you remember, baby)  
Maybe we aren't all that we used to be  
Maybe we could start from the beginning  
You're giving me a love that just cannot leave  
So tell me that you still love me

Can we fall in love again  
Like we did back then  
Do you remember when  
(Do you remember when)  
Do it like you did it back then  
And then we'll do it again  
Do you remember when

Do you remember  
Do you remember  
Do you remember  
Do you remember when  
[Repeat x2]  
[while:]  
When we used to touch  
When we used to laugh  
When we used to do the things we used to do  
Do you remember, come on  
Do you remember , come on
