## Find Me a Man

**Toni Braxton** 

I'm just a girl That doesn't like the thought of being alone I need to be lovedand held real close I'm the kind of girl That needs to be caressed and kissed so soft, yeah There's no better way to turn me on I need a man Who's gonna treat me right I need a man who'll be with me every night So I've gotta Find me a man With sensitive eyes One who understands Love is stronger than pride So I gotta Fin me a man A sensitive mind Not just any man One of kind I'm just a girl That likes a man that knows his right from wrong One that will kepp his loving at home I'm just the kind of girl Who likes to please her man the whole night long ooh But he's gotta please me just as long I want a man who Who's gonna treat me right I need a man who's gonna be with me every night So I gotta Find me a man With sensitive eyes One who understands Love is stronger than pride So I gotta Find me a man A sensitive mind Not just any man One of a kind I know I'm looking for, and I know He's gotta be wonderful, 'cause I know I am too beautiful, to settle for nothing less, ooh In know what I'm searching for, yes I know It's someone incredible, don't you know That I won't give up until I've found the perfect man So i gotta I gotta find me Gotta find me a guy So I gotta find me, find me Find me a man Not just any man One of a kind Tištěno z www.txp.cz
