

# Gimme Some

Toni Braxton

It is an age-old story  
Goes back to Adam and to Eve  
I know you know  
What I want for  
And if it ain't clear to ya baby  
Don't stop, Let's Rock  
Give it to me baby

Gimme gimme  
Gimme some Gomme some  
Ain't like you don't want none  
Yeah yeah yeah yeah yeah  
What you gonna do  
Gimme gimme  
Gimme some gimme some  
Don't fight what you can't son  
Yeah yeah yeah yeah yeah  
What you gonna do

You know you can't ignore it  
I'm always there in your dreams  
You know and I know what you want for  
If it ain't clear to ya baby  
Don't stop, let's rock

Gimme gimme  
Gimme some Gomme some  
Ain't like you don't want none  
Yeah yeah yeah yeah yeah  
What you gonna do  
Gimme gimme  
Gimme some gimme some  
Don't fight what you can't son  
Yeah yeah yeah yeah yeah  
What you gonna do

4 letter words and 3 wishes  
Is what I came or  
Love birds blowin' kisses in picture frame form  
With just a faction of this major attraction, comming soon  
I bust and implode, gimme gimme room  
I keep blazin', it's so amazin'  
The occasion that I am raisin', massive body invasion  
So what you savin' all that love for  
open up your mind, explore, and make it hard core  
I'll be your candy store  
Give you just a little more than what you bargained for  
And if you ask me for some guidance, it's not a minus  
I'll break it down to a science, kitchen appliance  
69 gimme mine, I'll be your valentine  
365 days I want my sun to shine  
See, I've been waiting for the planets to realign  
Total eclipse on my lips until the end of time
