

# I Don't Want To

Toni Braxton

1. I really don't feel like talking on the phone  
And I really don't feel like company at home  
Lately I don't want to do the things I used to do  
Baby since I lost you

R: And I don't want to sing another love song babe  
I don't want to hum another melody  
I don't want to live my life without you babe yeah  
It's driving me crazy (crazy)

2. I really don't feel like smiling anymore  
And I haven't had the peace to sleep at all  
Ever since you went away  
Baby my whole life has changed  
I don't want to love and I don't want to live

R: And I don't want to sing...

\*: I don't wanna laugh, I don't wanna play  
I don't wanna talk, I have nothing to say  
I don't want to tour, forget this show and how can I go on  
Now that you are gone

R: And I don't want to sing another love song babe  
I don't want to hum another melody  
I don't want to live my life without you babe yeah
