Toni Braxton

Is tonight's the night that you take  
Control of me  
Tell me boy, what's it really gonna be  
Spending time for a while  
Oh daddy come close, I'm straight  
I'm feeling your style  
I love the way you make me feel  
When you keep it real  
When you're holding me  
When you're spooning me  
Oh you look sexy when you're  
Touching Me  
When you're bumping me gently  
Sitting here waiting in my Vicky's  
In the mirror imaging you're with me  
Petit Cheri and I'm smelling real nice  
And Jouet could chillin' on ice  
Coming over at a half past ten  
And I'm wondering if I'm really gonna  
Let him in  
Give in  
Give it up  
Let it go

Or tell him no

Should I just give him some  
Maybe  
Is this the night for fun  
Maybe

So, here it is, and he comes right in  
And I fix us drinks  
And I start to think  
About what I'm gonna do  
Will a brother be true  
Will he size my body up and down  
Can he beat the odds  
Can he play it safe  
Will he make me hot  
Will he hit the spot  
That I love a lot  
Will he leave me hanging lonely  
Desperately  
Will he go and tell all his friends  
That we did it and we did it again  
Had me weak between the sheets  
Will he say I was a real big freak  
Maybe I should slow it down  
Cool off my flow, relax  
And let him know if this gets out  
No more, no glove, no love, oh no

Should I just give him some  
Maybe  
Is this the night for fun

Maybe

Should I just give him some  
Maybe  
Is this the night for fun  
Maybe

Maybe  
Pretty baby  
Love me like a lady

Should I say yes or no  
Should I just let it go  
Should I slow down my roll  
Let me think 'cuz I really don't know  
Don't know what to do about it baby  
If I do it will I regret it?  
Maybe I should just forget it  
What about if he ain't got no dough?  
Tell me I should let him go

Maybe  
Should I give him some?  
Pretty baby
