

# The D Word

Toni Braxton

I put the papers on your doorstep  
The keys under the mat  
Although the lawyer said to mail you  
I'm still not over it  
There's so much I wanna tell you  
But I really need to forget  
Even though we're not together

Girl I will miss you (oh boy I will miss you)  
Even though it breaks my heart  
I will miss you (I'm gonna miss you)  
Cause I'll always love you, love you (always love you)  
Forever think of you, of you (of you)  
And I'll always want you, want you (always want you)  
Forever think of you, of you (of you)

Although we're apart  
You still own my heart  
Forever, and ever  
And ever

I never liked the sound of single  
It don't sound good to me  
Tell me how I'm s'pose to mingle  
When you're all I wanna see

There's so much I wanna to tell you  
But I really need to forget  
Even though were not together

Girl I will miss you (oh boy I will miss you)  
Even though it breaks my heart  
I will miss you (I'm gonna miss you)  
Cause I'll always love you, love you (always love you)  
Forever think of you, of you (of you)  
And I'll always want you, want you (always want you)  
Forever think of you, of you (of you)

Although we're apart  
You still own my heart  
Forever, and ever  
And ever

Cause I'll always love you, love you (always love you)  
Forever think of you, of you (of you)  
And I'll always want you, want you (always want you)  
Forever think of you, of you (of you)

Although we're apart  
You still own my heart  
Forever, and ever  
And ever
