

# The Heat

Toni Braxton

Where's the sand, I'm set  
My body, thumping going pitty pat  
Gettin' tan and wet  
And When I feel the beat  
I lose control of it  
Ooh baby, I'm feelin' you  
I must admit  
Looking tight and fit  
And I imagine you and I in

Summer bodies, shake it to the  
Music's going through your body  
Temperature is rising  
Can you feel the heat, the heat

Sleeping in 'til noon  
Be naughty, put bubbles in the swimming pool  
Skinny dip for two  
And as you feel the rhythm taking hold of you  
Ooh papi, I love it when you ooh eeh ooh  
And I'm hooked it's true  
I imagine you and I in

Summer bodies, shake it to the  
Music's going through your body  
Temperature is rising  
Can you feel the heat, the heat

Summer's almost over so you better hurry  
Andale! Andale!  
Starting right now let's dance and party  
Ole! Ole! Ole!  
Give Me a reason to love you through, through the  
Season  
No need to hesitate, come on let's get it on  
Let's celebrate 'cause it's

Summer bodies, shake it to the  
Music's going through your body  
Temperature is rising  
Can you feel the heat, the heat
