

Dreamer

Toni Childs

Can't stop, stop the hurting
Can't stop, stop the breathing
Can't stop, stop these tears for you my dear
Don't know why it's so bad
This life's been so bad
I'm glad I finally found you here

You're the voice of a dream I had
You're the voice and I'm so glad
You're the weight of a dream of a life come true
There's no denying
I sometimes run and chase the moon
I just can
I sometimes run and chase the views
And dream of you

My heart locked in absence
My heart locked and fearful
I see no-one can be here today
My thoughts locked in thinking
My thoughts not believing
I see no-one can be here with me

You're the light of a dream I had
You're the voice and I'm so glad
You're the weight of a dream of a life come true
There's no denying

I sometimes run and chase the moon
And think of you
I sometimes run and chase the views
And not of you
I sometimes run and chase the moon
But I'm just dreaming
I sometimes run and chase the views
But I'm still dreaming
Dreaming
I'm dreaming
I'm dreaming of you, dear
