```
Can't sleep tonight,
'Cause you're on my mind.
I guess I'm in love once again.
Gaze a star,
'Cause that's what you are.
You light up my life once again.
I'll take this chance for another romance in my life
'Cause you're all that I need.
I can't help myself,
From falling in love,
With somebody like you,
'Cause your feelings are true.
Can't help myself,
From falling in love.
For I can't help myself...
From falling for you.
All day I pray,
That forever you'll stay,
And won't let our love fade away.
Hear what I say,
Whatever comes away
We'll be together come what may.
I'll take this chance for another romance in my life
'Cause you're all that I need.
I can't help myself,
From falling in love,
With somebody like you,
'Cause your feelings are true.
Can't help myself,
From falling in love.
For I can't help myself...
From falling for you.
I've never felt this love,
Until you came,
In my mind.
And I can't help myself,
From falling in love,
With somebody like you,
'Cause your feelings are true.
Can't help myself,
From falling in love.
For I can't help myself...
From falling for you.
