I Love You So

Gonzaga, Toni

Oh boy, I love you so
And I will never let you go
'Cause you mean everything to me
I just wanna let you to hold me in your arms
Forever I love you so
And I will never let you go
'Cause you know
You're everything I want
Everything I need
Everything to me

I remember the first day
When love just came to me
It was the time when I met you
It was love at first sight
When I got to know you better
I know for sure it's more than that I'm singing

Oh boy I love you so
And I will never let you go
'Cause you mean everything to me
I just wanna let you to hold me in your arms
Forever I love you so
And I will never let you go
'Cause you know
You're everything I want
Everything I need
Everything to me

I can't wait for the time when

We'll walk the aisle together
Can't wait to say the words
"I do", "I do"
I love you more than you'd ever imagine
And I feel that you love me as much as I do

I'm singing
Oh boy, I love you so
And I will never let you go
'Cause you mean everything to me
I just wanna let you to hold me in your arms
Forever I love you so
And I will never let you go
'Cause you know
You're everything I want
Everything I need
Everything to me

Cause you know
You're everything I want
Everything I need
Everything to me

Cause you know
You're everything I want
Everything I need

Everything to me
